presents:

“Find Your Voice” Through Singing

Date/Time: Sunday ~ June 1, 2014 1:30 pm - 3:30 pm
Location: JungHaus ~ 59 W. 3rd Avenue ~ Columbus, OH 43201

Jamie Massa, MM MA, a JACO member and accomplished music educator, is offering a 2 hour workshop to help you get in touch with your voice and, thereby, more in touch with yourself.

She will use methods like Aikido (a martial art) to connect with the body and the breath, and some creative visualizations where you will see yourself singing without being nervous.

You will learn how to make a relaxed free tone and how to connect with your breath.

As a group, we will sing several kinds of songs: folk songs, Broadway tunes and more. There will be opportunities to sing a duet and even a solo.

*Jamie's style is very nurturing and holistic and she makes singing FUN!
Please join us for this great opportunity!*

Songbooks used during the workshop may be purchased for \$10 that day.

Fee: \$20 Members ~ \$25 Non-Members Minimum 6 ~ Maximum 15
