"Images have a way of bypassing the chatter of our logical minds and nudging our deep Soul wisdom where intuitive answers can be found and spoken."

Seena B. Frost, originator of SoulCollage®

Learn to tap into the wisdom of your SoulCollage cards through readings. SoulCollage facilitators **Jeannetta Holliman** and **MJ Abell** will lead you through a variety of readings using a single card, 3 cards for guidance on a question, and looking at your cards in terms of past, present and future.

You will also have the opportunity to make cards, using a variety of cardmaking techniques that MJ and Jeannetta will share, and finally, we will close with a ritual to honor our time together.

Fee: JACO members \$50 ~ Non-Members \$55 (includes materials, coffee, tea & snacks). Limit of 20 participants (minimum of 6).

Pre-registration required by June 10: Mail check (made out to JACO) or credit card info (MC, Visa, Discover) with name, address & phone to: JACO, 59 W. 3rd Ave., Columbus, OH 43201. May also register on-line at www.jungcentralohio.org, or by phone to JACO: 614.291.8050
