"Extraordinary. I love the art, the mixing of dreams and vision, interview and poetry...it captures Marion Woodman's essence perfectly - a truly wonderful film." - *Eve Ensler, playwright*

"...speaks to my creative soul...to that part of me that sometimes feels buried under the snow, and to that part of me that is bursting with life." - *Sandra Oh, actress*

***Marion Woodman: Dancing in the Flames* explores the mysteries of the soul's journey and reveals a series of psychological 'deaths' and 'rebirths' of one of the western world's most important wisdom keepers. Marion Woodman looks back on an extraordinary life, describing her travels to India, her encounters with the Black Madonna, how she discovered Carl Jung, her five years in Zurich, and her ever-evolving marriage.
