A HEALTHY WORLDVIEW FOR THE 21ST CENTURY

LECTURE: FRIDAY, January 8, 2016
7PM – 9PM (REGISTRATION BEGINS AT 6:30PM)

For Jung, individuation requires each of us to develop a worldview. More than a viewpoint, it includes our value system, resources, and means for living life. The seven traditional ways we experience the transcendent are conduits that remind us to look for the extraordinary in the ordinary, the miraculous in the mundane, and the sacred camouflaged in the profane. This lecture will identify how and where we might meet the transcendent in our ordinary lives.
